

BOYS & GIRLS CLUBS
OF SPRINGFIELD

Art Room: Members will learn about all things art. From watercolors to photography to sewing to fashion, members will embrace their creativity and learn new techniques!

Music Room: Members will learn how to play various instruments, sing, read music, act, improvise, debate and speak.

Pre-Teen Center: Members, aged 10-12 use this area to learn, grow, and share ideas. Members learn about civic engagement and receive tutoring. They also participate in activities that represent their age!

Learning Center: Members will learn, learn, learn! They can get homework help, participate in a number of clubs like Science Club, LEGO Club, Nature Club, and Fitness Frenzy, and receive tutoring.

Technology Lab: Members use this area to embrace their computer skills. Members will learn how to code, create video games, manage bank accounts, and how to stay safe on the internet.

Games Room: Members will participate in a number of table top, board, card, and party games. This high energy area offers

games Pool, Air Hockey, Foosball, Chess Club, Cup-Stacking and more!

Gym: Members will learn how to stay physically and mentally fit. They will learn about their bodies, play a number of sports, participate in physical activities, and learn how to stay healthy!

Teen Center: Members ages 13-18 use this area to study, do homework, get tutoring, play video games and have a great time with their friends! They also focus on leadership and community service and enjoy field trips and guest speakers as well as team building and getting ready for college!
