# OUR HISTORY

The Boys Clubs of Springfield opened on November 4, 1938 by Mrs. Jennie Lincoln, wife of Juvenile Judge A.W. Lincoln. Early in 1940, Mrs. Lincoln visited the National Headquarters of Boys Clubs of America in New York City. It was her desire to eventually affiliate the Springfield Club with the national organization. Fulfilling her wish, a charter was granted on April 15, 1946.

In spite of World War II and the effect it had on community life everywhere, ambitious Sertoma members joined hands with other Boys Club friends to elect an official Board of Directors, form a financial base, and make plans for the future.

Executive Director Bill Henderson led construction of the first Club location in 1947, and the Musgrave Unit in 1975. In 1963, the Girls Club was established by Genevieve Kynion and in 1991, merged with the Boys Club under Bill Stalnaker's leadership. Pat Gartland became Executive Director in 2002, leading campaigns to build Stalnaker Unit in 2003, Henderson Unit in 2007, and Sertoma Unit in 2015.

Today, under the leadership of CEO Brandy Harris, BGCS operates eight locations: three stand-alone facilities, two combined shared & stand-alone site, and three school-based sites.

MONTHLY GIVING

# INVEST TO INVEST

## How does it work?

To participate, simply **select a publicly traded stock** that you believe will appreciate in value by the end of the year. The stock can be one you already own, or one that you will specifically buy for this competition. The number of shares you **financially commit to the BGCS** should have a market value of approximately \$1,000.

## Did you know?

Invest to Invest was created by **Jack Stack**, founder and CEO of SRC Holdings Corporation to generate a new source of funding to support youth programs at BGCS. The program also serves as an educational tool to teach Club kids.

## The Competition.

Group members' **stock prices will be tracked monthly** and reports sent out to all participants via email. The member whose stock increases the most in value at the end of the year, will be declared the winner.

## What are the benefits?

Prizes are awarded for the first, second, and third place winner. The kids in the community are the real winners because even if your stock pick doesn't win, you made a gift to BGCS. Competition concludes with a special reception.

---

*"The Club is important for me because it has been a home away from home. They have always made sure that me and my siblings had food at home when we didn't have any."*

*-Juliette White  
2021 Springfield Youth of the Year*

# Society

## What is your legacy?

A planned gift is a way for you to develop a lasting legacy that positively impacts Springfield's youth for years to come. Your legacy gift helps our clubs ensure future generations of youth will have the programs, resources and guidance to help them achieve academic success, make healthy life choices, and foster the skills they need to reach their full potential.

We want to help you craft your legacy in such a way that it also benefits you and your loved ones. You have a menu of options to choose from while enjoying tax and income benefits. These include bequests, life insurance, retirement assets, real estate assets, securities, and donor advised funds.

## What is The Legacy Society?

The Heritage Club is an association of friends who seek to ensure that the future needs of our nation's youth are met by including BGCS in their estate plan.

## What are the Benefits of Membership in The Heritage Club?

When you join The Heritage Club, we will thank you by providing you with:

- *A publication on tax and estate planning.*
- *A lapel pin that indicates your leadership in the mission to guarantee a strong and stable future for our nation's youth.*
- *National recognition in The Heritage Club Annual Report.*

## Support Great Futures

Please reach out to **Didem Koroglu, Director of Development at [dkoroglu@bgclubspringfield.org](mailto:dkoroglu@bgclubspringfield.org)** so that we can help you develop a legacy you will be proud of.

# Endowment Funds:

## ESTABLISHING A LEGACY

The Club's endowment funds are **permanent charitable funds** from which the Club draws income every year. The endowment funds provide operational flexibility and stability, allowing the Club to **focus on emerging needs**.

Generally, unrestricted gifts to our endowment are added to the general endowment fund. Larger gifts may be restricted by agreement between the donor and the Club for specific, ongoing use, such as one of our core program areas, building maintenance or scholarships, and may be named to honor the donor, his or her family, or another worthy honoree. BGCS has a very active Board of Trustees who is responsible for administering and distributing endowment funds.

### **Boys & Girls Clubs of Springfield Scholarship Fund**

Provides support for Club members needing assistance with post high school education and covers scholarships for members whose families cannot pay membership fees.

### **Boys & Girls Clubs of Springfield General Fund**

Supports operations and capital expenditures.

---

*"Because of scholarships provided by my Club, I was able to attend the Club free of charge and was able to finish my undergraduate degree without the stress of figuring out how to pay for it all. I could focus on my education without feeling guilty for being able to do so."*

Along the way, mentors will fill out weekly and monthly reports tracking the progress of the relationship. Mentors will also have access to monthly check-ins with the Mentoring Coordinator to evaluate their progress and provide any support as-needed.
