

INVEST TO INVEST 2021

February 1, 2021-December 31, 2021
Invest in Great Futures

HOW DOES IT WORK?

To participate, simply select a publicly traded stock that you believe will appreciate in value by the end of the year. The stock can be one you already own, or one that you will buy specifically for this competition. The number of shares you financially commit to the Boys & Girls Clubs of Springfield should have a market value of approximately \$1,000.

DID YOU KNOW?

Invest to Invest was created by Jack Stack, founder and CEO of SRC Holdings Corporation to generate a new source of funding to support youth programs at Boys & Girls Clubs of Springfield. The program serves as an educational tool to teach business basics to Club kids. It also provides a friendly competition for savvy investors in the Invest to Invest group.

THE COMPETITION

Group members' stock prices will be tracked monthly and reports will be sent out to all participants via email. The member whose stock increases the most in value at the end of the year, will be declared the winner.

WHAT ARE THE BENEFITS TO PARTICIPANTS?

Prizes are awarded for the first, second, and third place winner. The kids in the community are the real winners because even if your stock pick doesn't win, you make the \$1,000 gift to the Boys & Girls Clubs. Competition concludes with a special reception. Your investment enables Boys & Girls Clubs to do whatever it takes to build great futures for children in Springfield!
